Contractual Duties: Performance, Breach, Termination and Remedies

Sweet and Maxwell
ISBN: 9780414041950
£185.00

Contractual Duties: Performance, Breach, Termination and Remedies presents a high level analysis of the law relating to the termination of contracts.

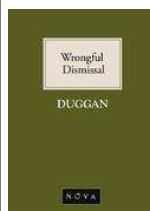

It offers new and authoritative insights into how to proceed when contracts are breached or break down.

This is a critical area of commercial practice, at the heart of litigation about contracts. The work explores how parties to contracts are deemed to have abided by the contract, how contracts break down and the remedies available when they do. Recent case law is examined in depth.

While the central focus is English contract law, this is complemented by a comparative dimension showing how other systems have different approaches, and suggesting new ideas drawn from the US, Australia and civil law systems.

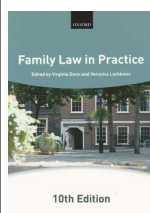

The guidance in this book is comprehensive, providing you with coverage of all the relevant areas.

Gurry on Breach of Confidence 2nd Edition
Oxford University Press
ISBN: 9780199297665
£195.00

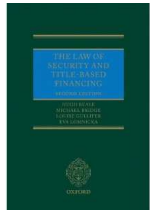

Francis Gurry's famous work *Breach of Confidence*, published in 1984, was ground breaking and invaluable in the field of intellectual property as the first text to synthesise the then burgeoning case law of breach of confidence into a systematic form.

A highly regarded book, it was first point of resort for practitioners and a key source for judges.

Alpin, Bentley and Malynicz bring us a new edition of this important work, fully updating it in light of the developments since the first edition and adding new material on the history and current relevance of the action, as well as on comparative legal protection of confidential information within Europe.

New edition of the famous *Breach of Confidence* by Francis Gurry, the first book in its field dealing with the British law of confidence. It is fully updated in light of the numerous legislative developments of the last two decades, which have included the TRIPS Agreement, the European Data Protection Directive, and the Technology Transfer Regulation.

Law of Security and Title Based Finance 2nd Edition
Oxford University Press
ISBN: 9780199608720
£125.00

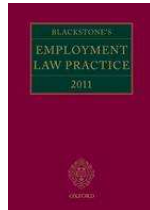

This second edition has been fully updated and expanded to cover all important issues and changes within this highly complex area of law. It explains traditional methods of securing debts (such as mortgages, charges, and

pledges) on property other than land, describing how these are created, how they must be registered (or otherwise 'perfected') if they are to be valid, the rights and duties of the parties, and how the security is enforced if the debt is not paid.

The new edition includes an expanded section on priorities in which it explains how 'priority' disputes between competing interests over the same property are resolved. In addition the book covers the law governing other transactions that perform a similar economic function (such as finance leases, retention of title clauses, and sales of a company's book debts). This edition contains relevant points from the Banking Act 2009 concerning its impact on security, such as the power to protect certain interests on a transfer of property, and also considers amendments regarding liquidators' expenses under the Insolvency Rules.

Previously published as *The Law of Personal Property Security*, this new edition brings together the law on this complex area.

1 January 2012, relevant to current legislation.

Cases are classified into chapters which are arranged alphabetically, making navigation quick and simple, and allowing case summaries from any year to be rapidly located.

The new edition contains a revised introductory survey discussing leading decisions reached in 2011, an expanded chapter on input tax with summaries of the 2011 decisions concerning circular transactions and 'carousel fraud' and an updated chapter on education, which now includes a section on examination services.

Thomas on Powers 2nd Edition

Oxford University Press
ISBN: 9780199539697
£225.00

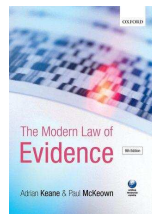

Highly regarded, and cited in a number of judgments in England and Australia, *Thomas on Powers* is concerned with the general principles and doctrines governing or affecting the creation, exercise and operation of powers in private law, and provides a discursive intellectual analysis of the principles underlying the problems commonly encountered by practitioners.

- Includes full coverage of case law and legislation in offshore jurisdictions;
- Analyses recent developments such as sham trusts, the role of protectors, and fiduciary powers;
- Provides commentary on the exercise of powers by directors of companies and challenges to this power;
- Considers the relationship between fiduciary powers in private law and powers exercised by public bodies such as the development of the rule in *Hastings-Bass*.

The Modern Law of Evidence 9th Edition

Oxford University Press
ISBN: 9780199698325
£31.99

The Modern Law of Evidence is well established and relied upon as a lucid, engaging and authoritative guide to the contemporary law of evidence.

Straightforward and practical in approach, this textbook also provides concise analysis of the theory behind the law, with an emphasis on recent discussion and current topics.

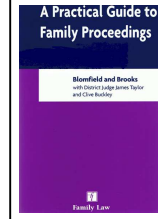

The ninth edition has been carefully developed and updated to ensure that it remains a thorough and utterly reliable resource for readers.

This book is an ideal text for undergraduates and students studying on the BPTC or LPC. It has been cited with approval by the highest appellate courts, thereby also cementing its reputation as an excellent resource for practitioners and judges.

The guidance in this book is comprehensive, providing you with coverage of all the relevant areas.

A Practical Guide to Family Proceedings 5th Edition

Jordan Publishing
ISBN: 9781846612756
£65.00

Established as a straightforward, easy-to-follow handbook of procedure this book is equally useful as an aide-memoire for the hard-pressed specialist or as an introduction for the less experienced.

The book enables a busy practitioner to avoid the most common pitfalls encountered across the spectrum of family proceedings, thereby speeding up litigation and avoiding unnecessary work and wasted costs orders. Previous editions of the book have been widely used in the Principal Registry of the Family Division, other district registries and county courts.

A Practical Guide to Family Proceedings offers step-by-step guidance on the effective conduct of all the most common types of family law application.

This new edition has been extensively revised to take account of the Family Procedure Rules 2010. It will prove an essential reference for the busy family lawyer.

Tax Efficient Retirement Planning 2nd Edition

Bloomsbury Professional

ISBN: 9781847669292

£95.00

First edition entitled Pension Scheme Taxation and Retirement Planning. Includes detailed information on the taxation of pension benefits and retirement planning for high net worth individuals and UK pension tax legislation and HMRC practice on pension schemes. This book navigates you through the latest UK pension tax legislation and HMRC practice. It outlines the major tax rules applicable to registered pension schemes and supplies the technical information you'll need when advising high net worth individuals. Since the publication of the last edition there have been further changes, covering a wider category of 'high earners' and focusing on tax avoidance and overseas matters.

Charity Governance 2nd Edition

Jordan Publishing

ISBN: 9781846613005

£87.00

This book is a clear and practical guide to the legal and regulatory framework within which charities operate and its impact on their governance. Written by lawyers who specialise in advising charities, and drawing on the guidance provided by the Charity Commission and HM Revenue & Customs as well as the relevant law, it is aimed at the trustees and senior employees of charities and the lawyers, accountants, investment managers and other professionals who advise them. *Charity Governance* deals comprehensively with charitable companies, charitable trusts, charitable incorporated organisations and other charitable bodies and with the legislative changes made by the Charities Act 2006, the Companies Act 2006 and the Finance Act 2006. Written by a leading charity law firm this book will provide a practical account of the law and regulation applying to charities and how best to comply through good governance.
